

**LET'S FIND A SPONSOR.** Let's make money doing what we love. Let's find some adventure capitalists. Let's turn a joyride into a charity drive. Let's get an endowment for the asphalt arts. Let's mix business with pleasure. Let's sell it by the mile. **LET'S MOTOR.®**

# THE MINI MOTORING HEARTS MOTORTHON

As part of the new MINI Motoring Hearts volunteer program, Patrick MINI is taking to the streets on August 30, 2006 for a day of all-out motoring to raise money for Childrens Memorial Foundation. Donations can be made in cents-per-mile, or a pre-set lump sum. And there's no rule that says you can't sponsor yourself.
