

Lotus Corps Presents the 2004 *Carl Grabowski*
Drivers Education Track Day
Monday, May 17th 2004

Please join us for our second Track Day at Blackhawk Farms Raceway in Rockton Illinois.

You'll be able to:

- Drive your car closer to its limits
- Hone your skills at one of the best tracks in the mid-west
- Learn how to drive fast SAFELY
- Enjoy the company of other sports car nuts

For whom is this event intended?

This is a day for all levels of driver skill. Depending upon experience, you will be placed in one of three groups, created to fit the Daring First Timers (Green Group), the Middle of the Laners (Yellow Group), and the Fully Prep'd Drivers (Red Group). Instructors will be on hand to help.

Green Group – Drivers with little or no track experience.

Yellow Group – Moderately experienced drivers who have attended Driving School(s) or other track events.

Red Group – Very experienced drivers who have attended Driving School(s), many track events, or with race experience. Roll bars will be absolutely required on all convertibles and open topped cars in this group.

What do I need to bring?

Make of car does not matter. You can come with your Daily Driver OR with your Sports Car. As long as the vehicle passes the Tech Inspection, you will be allowed to run.

The minimum safety equipment that is required is:

- Helmet with a Snell SA rating of 1990 or later – No motorcycle helmets allowed.
- Long sleeve shirt made of cotton or fire resistant fabric.
- Pants made of cotton or fire resistant fabric.
- You are encouraged to bring any other safety apparel you have!
- Most importantly, bring a good attitude. This is an Educational Event - not a race, not a time trial, not a competition. You will get plenty of track time.

The Bottom Line _____

All of this will cost between \$165 and \$175 per driver if you register before March 1st, 2004. This is **\$45 LESS** than last year's event! A \$25 late fee will be assessed after March 1st. Please note that Blackhawk Farms charges \$10 per person for entry to the facility. This is included in the driver fee, but any guests or crew members will be additional. A concession stand will be open for Breakfast and Lunch. Registration is limited, and spaces will fill fast, so don't delay!

Is this too much? Does FREE sound better?

We are looking for volunteers to help work the corner stations. This is a great way to begin your track experience, AND you will receive FREE touring laps on the track at lunchtime. Please fill in the registration form on the next page and check the appropriate box.
